

Guide to Safety.BLR.com

For AAIM Employers' Association Members
Making Safety Training and Compliance Easier

Your safety program has never been easier!
This guide will help you get started with your subscription.
Please take a few moments to review this information.

Site Overview

Time Savers

Checklists, forms, policies, and written plans that will save you time.

Training Resources

Hundreds of customizable training solutions.

Community

Connect with other EHS professionals to discuss issues that affect you.

Library

Regulatory analysis, reference materials, news, and over 3.5 million MSDSs are at your disposal.

Topics

Easily locate content by category and topic.

News

OSHA and state safety news is updated daily.

The screenshot shows the AAIME Employers' Association website interface. At the top, there is a navigation bar with links for Home, Library, Time Savers, Training, Community, Find, and Help. A search bar is located in the top right corner. Below the navigation bar, the main content area is divided into several sections: 'Workplace Safety Topics' with a grid of categories and topics; 'Safety News' featuring a national OSHA article; 'Regulatory Activity' with a national article on hazardous materials; 'MSDS Search' with a search form; and 'Safety Poll' at the bottom. A 'Safety Quick Links' sidebar is on the right, listing various site features. Red arrows point from descriptive text blocks to these specific sections on the website.

Search

Easily search federal and state jurisdictions.

Use Quick Links

as a Table of Contents to navigate directly to site features with a single click.

Regulatory Activity

Federal and state regulations, updated daily. Full-text Regs and plain-English regulatory analysis.

MSDS

Search, print and save Material Safety Data Sheets to support your compliance and safety plans.

or www.eaconnect.com**

You can find the answers you are looking for in several different ways:

Site Navigator

Use the Site Navigator to find content by Category and Topic. By choosing a Category, only the associated content will be displayed in the Topic list.

A to Z Topic List

Just click on the A to Z Topic List link to display regulatory analysis and activity, news, and related tools.

Search

Use the Quick Search feature for simple keyword searches that will provide results from thousands of news articles, regulations, training resources, and more ... all organized by topic. Choose the Find tab to search by content type, date range, and even federal or specific state jurisdiction.

Training Resources

Customizable, downloadable, prewritten training presentations. Includes PowerPoint® presentations, checklists, meetings, quizzes, and handouts. New audio presentations provide complete training solutions and are included with your subscription.

Compliance Resources

- **Regulatory Analysis**—contains easy-to-read and understandable summaries of federal and state regulations.
- **Regulations**—final and proposed regulations and notices with the scheduled dates for hearings and comments. Plus, access to both federal and state regulations.
- **News**—keeps you up to date with daily safety news, updates, and feature articles.
- **MSDS Search**—our comprehensive database of over 3.5 million MSDSs with 10,000 new or updated every week.

Resource Centers

Your solutions destination for hot topical safety issues, including Healthcare, Pandemic Planning, Spanish Training, and Transportation.

“Ask the Experts”

AAIM EA members may e-mail BLR safety and legal editors directly for personalized answers to tough safety questions. Access this feature on the Find tab.

Training & Compliance Suddenly Got Easier—

with **Safety.BLR.com**
